Subject: MEMBERSHIP DRIVE FOR FBR FOUNDATION

Dear Sir,

I am delighted to inform that FBR Foundation has been operationalized, under FBR Act 2011. Dr. Muhammad Irshad is the first chairman of FBR Foundation while I have assumed the responsibilities of its first CEO.

2. With the grace of Allah, we have been successful in opening a Bank Account No. 4141556454 in National Bank of Pakistan, Super Market, F-6 (code 0854), Islamabad for FBRF and website has also been developed and will be hosted as www.fbrfoundation.gov.pk. Admn Wing, FBR has lent full support for the entire start up activities. I am confident that through the support and co-operation of our target audience i.e serving and retired employees of FBR, we can move forward at a fast pace.

3. Taking this opportunity, may I request you to use your good office and disseminate information, through notice boards, word of mouth and internal meeting etc, relating to start-up activities for FBR Foundation. The Membership drive has been started by 'form-submission' of Chairman FBR (BS-22) and a Naib Qasid (BS-3) on 10-05-2017. It is further requested that you may kindly notify one officer in each office, under your jurisdiction to deal with issues relating to FBRF and the same may kindly be forwarded to Ms Rezwana Siddiqui, Chief (Reforms), Admn Wing, FBR, Islamabad, including his phone nos. (landline & cell No.), email and postal address.

4. The soft copy of application form is made available at Foundation's website. All those interested in applying for membership may download, fill in and submit the same to the designated focal person for FBRF, to be notified in each office, under your jurisdiction. The focal person may be assisted by a regular government employee, well conversant with IT-applications, database management, MIS report generation and using web-tools and software applications etc.

5. Looking forward to your cooperation and feedback in this regard
